Please ensure that the contact information on this form is kept up to date by informing the nursery office of any changes.

Other information

Please tell us any other information relevant to your child starting nursery, such as any special requirements (e.g. dietary, medical or special educational needs) of any kind. We will require more detailed information before your child starts.

Please tell us how you heard about our nursery.

Attendance

Terms & conditions

We endeavour to provide the very best standards of childcare at all times. Children are at the centre of every decision we make, ensuring their safety, happiness and wellbeing is what motivates every single member of our team. We have set out below the important terms and conditions of the nursery applicable to your child's attendance. Acceptance of a place for your child at nursery indicates your acceptance of these contractual terms and conditions.

Starting information

Our nurseries are popular and there is a high-level demand for places. Most vacancies occur in August and September when the older pre-school children leave us to start school and younger children move up through the nursery. Places for these vacancies have usually been booked far in advance. We advise new parents/carers to view their chosen nursery, collect an enrolment form and complete and return it to us as soon as possible. We do not enter children's names on our waiting list until we receive the completed form.

When allocating places, we consider (a) whose request best matches our vacancies, (b) if a parent/carer may have a child already attending the nursery and (c) whose enrolment form is received the earliest. **If you have requested a particular starting date but the place is available and in demand before that date, you will be offered the place first. You can either start your child early or hold on to the place by paying for it. If neither option is suitable, it may be offered to someone else.**

Guaranteeing a place

We will try our best to accommodate your preferred start date and days of attendance. You will not be required to make any payments to nursery until we can guarantee a place, at which point we will ask you for a non-refundable administration fee, together with the equivalent of one week's fees in order to reserve your child's place ("Reserve Payment"). The Reserve Payment will be applied as payment towards your child's first week's fees. The Reserve Payment (but not the administration fee) is refundable provided you give us four weeks' notice prior to your child's agreed start date, that you no longer require the place.

Deposit

Before your child starts, we require a deposit equivalent to two week's fees to be paid ("Deposit"). You will be presented with an invoice detailing the amount of this Deposit, together with your first month's fees on your child's first taster session. Payment of the Deposit and the first week's fees (if a Reserve Payment has not been made) should be made when your child comes in for their second taster session.

The Deposit is retained by the nursery and will be amended to reflect any permanent changes in your child's attendance, so you will be required to increase the Deposit should your child's attendance increase, and we will refund a portion of the Deposit should your child's attendance decrease. Any annual fee increase will also result in the Deposit needing to be increased to maintain the equivalent of two week's fees.

The Deposit cannot be used for payment against ongoing nursery fees. We will apply the majority of the Deposit against your final invoice unless during the preceding six months you have used early and/or late sessions or your child has attended for extra days, in which case we will retain £100 of the Deposit to cover the potential cost of any further early and/or late sessions or extra days after the final invoice has been generated. The balance will be returned to you via a BACS payment or a transfer into your Tax Free Childcare account, no later than one month after your child's last day at nursery.

Payment of nursery fees

Nursery fees are payable in advance. Monthly invoices are sent to parents approximately ten working days before the end of each month, detailing fees due for the following month's childcare. We offer a significant discount for parents who pay by Direct Debit or pay the full balance of each monthly invoice by the first working day of the month (the "Discounted Rate"). If you choose not to pay the full balance of your monthly invoice by the first working day of the month then your fees will be calculated at a higher rate (the "Standard Rate").

Direct Debits are normally taken on either the first or third working day of every month dependent upon which nursery your child attends. There may be occasions when your Direct Debit is taken later in the month and we will let you know if this will be later than the fifth working day of the month. You will receive an invoice detailing the amount of your Direct Debit ten working days beforehand. Please ensure there are sufficient funds in your account. If the amount does not clear into our account, you will then be required to pay a £25 administrative charge. If this happens on repeated occasions, you will lose your entitlement to the Discounted Rate and your fees will be calculated using the Standard Rate.

If you pay your fees by Tax Free Childcare, please bear in mind that payments from your Tax-Free Childcare account can take up to five working days to reach our account and so will need sending with sufficient time to arrive on the first working day of the month in order to attract the Discounted Rate. Accounts in receipt of Tax-Free Childcare payments that are received after the first working day of the month will be calculated at the Standard Rate.

Should you choose not to pay the full balance of your invoice by the first working day of the month, it is essential that childcare fees for the week ahead are paid in full before the start of each week. Cash or debit card payments must be paid on the first day of attendance in that week and BACs, cheques or standing order weekly payments must have been received into the nursery bank account no later than Wednesday prior to the week of attendance. We accept a minimum of £100 on debit card payments and we do not accept payments via credit cards.

Fees are payable whether or not your child attends nursery e.g. holidays, sickness. If you have a problem paying your invoice for any reason, please contact a member of your nursery's management team as soon as you can. If your fees become overdue, we will ensure that we communicate with you about them in order to resolve any issues. However, we reserve the right to deny your child access to nursery if outstanding fees exceed your Deposit. Nursery fees will continue to accrue during this period of non-attendance and should your child not return to nursery, payment in lieu of 4 weeks' notice will still be due and payable.

Our fees are reviewed annually in February with any changes coming into effect at the start of April. Any increase reflects our commitment to rewarding and retaining our team and reinvesting in the nursery buildings and equipment.

Ofsted registration numbers

The Ofsted registration numbers for each of our nurseries are listed in the 'Ofsted' sections of our website.

Government funded hours

All three and four-year-old children are entitled to claim 15 funded hours per week for 38 weeks of the year, amounting to 570 hours per year. In addition, children of working families aged nine months upwards are entitled to 15 funded hours per week for 38 weeks of the year, increasing to 30 funded hours per week from September 2025. This means that a combined total of 1140 hours per year are available for three and four year-old children of working families (and from September 2025 for children of working families aged 9 months upwards).

As our nurseries are open for 51 weeks a year, only closing for Christmas week, we 'stretch' the funded hours entitlement throughout the whole year. This means that we offer the funding over 48 weeks of the year (not 38), ensuring fewer weeks of full fees for families. The remaining four weeks of the year where funding isn't available are Christmas week when the nurseries are closed, the first week of January when fees are already reduced, and the last two weeks of August when children leave us to go to school.

During funded weeks at Mulberry Bush, if children are entitled to 15 funded hours per week, they will access 12 funded hours, 6 per day, based on a minimum attendance of two days per week. If children are entitled to 30 funded hours per week, they will access 24 hours funded hours, 8 per day based on a minimum attendance of three days per week. The remaining hours are used to 'stretch' the funding for additional weeks where there wouldn't usually be any funding.

Whether or not the stretched funding is available for the entire year at nursery will depend on when each child becomes entitled to the funding. It will only be possible to stretch over the whole 48 weeks of an academic year (i.e. from September until the following mid-August) if a child has become entitled to funding from the Autumn term. If a child becomes entitled to the funding from January, then the funding will run until the end of July, and if they become entitled to the funding from April then it will run until the middle of July. Exact details as to when an individual child's funding will be able to be stretched until, will be stated in the Parent Agreements which nursery produces and which are signed by parents.

Each Mulberry Bush funded day consists of 6/8 funded hours plus an all-inclusive fee for (i) additional hours, (ii) all food, drinks and snacks, (iii) all other consumable items including nappies, wipes, Calpol, etc., and (iv) all additional services relating to our enhanced nursery provision such as yoga, animal visits, football skills, mindfulness, theatre shows, baking activities, Academy programme, sensory rooms, etc. We do offer a number of places at each of our nurseries for children to attend for just the funded hours where no additional payment is needed. We operate a waiting list for these places, please let your management teams know if you would like to be added to that list.

For the funding which is only available for working families, eligible parents will need to apply for an eligibility code from childcarechoices.gov.uk. This code will need to be provided to nursery and eligibility will need to be reconfirmed online every three months. Without an eligibility code working families will not be able to access the funded hours. Nursery is not able to obtain codes on parents' behalf. Codes are not needed for the universal entitlement for three and four-year-old children, nor for the two-year-old funding for children whose families are receiving financial support, (which needs to be applied for with the Local Authority). All parents accessing funded hours at Mulberry Bush will be required to sign a Parent Agreement produced by nursery. This will be needed annually in most cases, but more often if a child is accessing funded hours only.

Fifth day discount

We offer a large reduction in fees for a fifth day of attendance in the same week. For weeks where the nursery is not open for five days this reduction is not available and all days are charged at the prevailing rate for a full day.

Change in attendance/notice period

We require a minimum of four weeks' notice to reduce your child's days of attendance or to terminate your child's place at the nursery. Increases in attendance will be accommodated as soon as possible and you may need to be added to the waiting list for the additional days. Changes to booking patterns must take place at the beginning of a week of attendance. Please complete a 'Change of Attendance Form' and hand it to a member of our management team who will process it for you. These forms are available from our website, from the nursery office and dispensers on parent/carer noticeboards.

Nursery opening hours

The nursery is open from 8.00am until 5.30pm, Monday to Friday. We do not charge for the 8 regular bank holidays or the period between Christmas Day and New Year's Day when the nursery is closed. There is an early session of 7.30am until 8.00am and a late session of 5.30pm until 6.00pm available if required at an additional charge. These sessions are available at a lower rate provided that they are pre-booked by 12 noon on the Friday the week before.

Additional children attending

If you have two or three children attending nursery at the same time we offer a reduction in fees. For your second child their first week's nursery fees will be free of charge. If you have a third child attending your oldest child will attract a 10% discount for the period where all three children are attending.

Policies and procedures

The nursery policies and procedures are available for inspection in each nursery office and copies are available on request. A different policy is displayed on parent/carer noticeboards each month for parents to read.

Exclusions

In accordance with our policies and procedures, we reserve the right to temporarily exclude a child in the event of illness or threat of infection to other children, during which period fees will continue to be payable. We also reserve the right to refuse admission and/or terminate a child's attendance in accordance with our policies and procedures.

I have read and understood the terms and conditions set out herein and agree that I am bound by them and the more detailed policies and procedures of the nursery.
